PRESS RELEASE

The Minister of Environment and Protection of Nature through the Environmental and Social Capacity Building for Energy Sector Project, "PRECESSE", will be organising a series of trainings for members of officially registered consulting firms, to enable them better carry out Environmental Assessments.

For the first session of the training, participants will be drawn from Registered Environmental Consulting Firms, located in the Centre, Far North, North, Adamawa, East and South Regions of Cameroon; this will take place in Mbalmayo from 13th to 16th of July 2010.

The second session will concern those consulting firms of the Littoral, West, North-West and South-West Regions of Cameroon in Limbe from the 20st to 23th of July 2010.

The objectives of the training seminars are :

1. To harmonise views on the realisation of Environmental Impact Assessment, the write up and presentation of files for the approval procedures;
2. To inform the consulting firms on the report evaluation criteria and;
3. To establish a platform of sustainable partnership consultation with MINEP.

Registered Consulting firms for Environmental Assessment should present themselves in MINEP's office Yaounde, Ministerial building No 2, room 511. For more information concerning participation, call 99 53 63 78.
